## New England

353 sqm | 37.9 squares

A place to truly love to live. This Prestige Dunst Bros plan is perfect for those who seek an attractive single story home with sensible zoning for maximum living flexibility and generous spaces that are warm and bathed in natural light. The design features a lounge and rumpus room separate to the open plan living areas and also a generous alfresco with severy to give a perfect balance of retreat and entertainment spaces for all members of the family.
